OBJECTIVE

Motivated Computer Science Graduate with a strong foundation in web technologies (HTML, CSS, JavaScript). Experienced in building web Applications to leverage my skills to develop efficient, user-friendly, and scalable applications in a dynamic and growth-oriented organization

Skills

- **Programming Languages:** python
- **Web Technologies:** HTML, CSS, JS
- **Soft Skills:** Problem-solving, team work

Education

PBR Visvodaya Institute of Technology and Science, Kavali

B.Tech, Computer Science and Engineering

• **GPA:** 8.7

2022 - 2026

Kavali

Ramakrishna junior College, Allur

Intermediate (Class XII)

• **GPA:** 75%

2020 - 2022

Allur

Ramakrishna junior College, Allur

SSC (Class X)

• **GPA:** 98%

2019 - 2020

Allur

Internship

Python Full Stack

- Built responsive web applications using HTML, CSS, JavaScript, and Python.
- Developed backend logic and APIs for dynamic data handling and integration.
- Implemented database connectivity and CRUD operations for full-stack functionality

Applied AI & Machine Learning with Python

- Developed machine learning models using Python for prediction and analysis.
- Performed data preprocessing and feature engineering to improve model accuracy.
- Used Numpy, Pandas, and Scikit-learn for data handling and model building.

Projects

Image Gallery

- Developed a full-stack image gallery application using HTML, CSS, JS, Node.js and MongoDB.
- Implemented image upload, categorization and CRUD operations with responsive UI.

Federated Learning for Flood-forecasting: Secure & Scalable Prediction Models

- Developed a federated-based flood forecasting system enabling decentralized model training across multiple data privacy and secure collaboration without central data sharing.
- Built scalable prediction models using python and ML frameworks, improving flood risk prediction accuracy by integrating real-time environmental data (rainfall, river levels) across distributed nodes

Certifications

- Certified as Python Full Stack Developer
- Python programming course completion Certificate
- HTML-CSS-JavaScript course completion Certificate
- Certificate of Completion – Introduction to Java Programming Fundamentals of DSA (EDX)

Declaration: I hereby declare that the above information is true to the best of my knowledge.

Place: BANGLORE
